

Investing In Care That Works

Vital Healthcare Capital (V-Cap) provides flexible financing to support quality care for low-income communities. Powered by credit services from the national CDFI Self-Help, V-Cap can provide loans to launch programs, construct or renovate facilities and capitalize property and equipment.

PROGRAM DETAILS

Loan Size

Up to \$5,000,000 with additional capital accessible for larger projects

Loan Types

- ▲ **Business Loans** – for working capital, including for expansion, revenue cycle, or new programs; and infrastructure and equipment.
- ▲ **Facilities Loans** – for the acquisition, construction, renovation, or initial start-up costs for facilities across the health continuum of care in low-income communities.
- ▲ **Bridge Loans** – to enable borrowers to move projects and programs forward with a clear source of take-out financing.

Eligibility

Projects must:

- ▲ Serve low-income communities or populations
- ▲ Demonstrate positive impact on health and jobs
- ▲ Meet due diligence and underwriting standards

Providers

Providers across the continuum of care are eligible, including:

- ▲ Community health centers
- ▲ Behavioral health providers
- ▲ Long term services and supports organizations
- ▲ Specialty providers for medically complex populations
- ▲ Provider groups (e.g. ACOs, IPAs, etc.)

Rates and Terms

- ▲ Rates and terms vary based on project particulars.
